KEY RESULT AREAS

JOBHOLDER IS SUCCESSFUL WHEN	
Team Development, Support and Leadership	
 Team members feel well supported with direction, advice and guidance. The performance and well-being of reporting staff is monitored regularly, with any difficulties identified and remedial actions agreed to. Ensure new staff are recruited in a timely manner and inducted into Horizons and the team. Staff have professional development plans in place that identify training and development opportunities and career progression. Performance development and reviews indicate that staff are suitably trained and are carrying out their task to a required standard. Staff have a clear understanding of their work objectives and are delivering on these. Staff exhibit behaviours that reflect the organisation's values, customer focus and excellence objectives. Feedback to the Freshwater and Projects Manager is effectively communicated in a timely manner with a "no surprises" approach. A professional and willing response towards any assigned Emergency Management function is evident. Facilitate opportunities for on-going learning, upskilling, and implementation of good management practices for the group and your team. 	

Project/Financial Management

- Prepare detailed work programmes in accordance with the project and reporting requirements.
- Establish and lead project teams.
- Effectively manage projects to ensure desired outcomes, in terms of performance, budgets, reporting and timelines.
- Deliver and monitor work programmes to ensure compliance with Council's policies and procedures.
- Prepare accurate, timely reports on projects and budgets, including budget forecasting.
- Exercise effective financial management in relation to project and programme budgets.
 Ensure conformance with financial delegations, procurement and purchasing procedures.
- Assess regulatory and other permission requirements for works and obtain any resource consent approvals etc. and implement projects in accordance with permission requirements.
- Be a project lead liaising with Horizons staff and externals in relation to projects.
- Provide input to applications for funding and management of funding when it is received.

- Work programmes are prepared within timeframes with accuracy around project delivery methods, budgets, timeframes and deliverables.
- Information is co-ordinated and prepared accurately within the agreed timeframes for the Annual Report and other reports as required.
- Annual budget is prepared within timeframes. Budget forecasting is prepared in a timely and accurate manner and uncertainties are identified. Expenditure is within the agreed budgetary guidelines.
- Purchasing and accounting procedures are fully complied with and financial delegations are always adhered to. Prior approval is obtained for budget variations.
- Regulatory and other permission requirements are identified, obtained and adhered to.
- Documentation in relation to compliance with the appropriate regulatory frameworks is completed in a timely and accurate manner to ensure works fully comply with these requirements.
- Auditing of works (including contractors) to ensure compliance with the appropriate regulatory framework is completed.
- Funding opportunities are actively sought from external sources with consideration to organisational capacity to deliver, accuracy around budget estimations, timeframes and deliverables.

Formal Contract Management

- Prepare documentation and manage formal tendering process in accordance with NZS 3910 and Horizons Regional Council procedures.
- Manage and administer formal contracts strictly in accordance with NZS 3910 and Horizons Regional Council procedures.
- Maintain quality assurance on all project works.
- Develop and implement processes and policies to enhance contract administration.
- Manage seconded staff in the supervision of physical works contracts.
- Achieve best financial outcome for the organisation, consistent with professional ethics.
- Manage negotiations regarding land requisition and compensation for the project works.
- Ensure contracts include and clearly state the regulatory requirements that the works are operating under including the expectations of the works to fully comply with these requirements.

- Appropriate tender process, contract evaluation, presentation of tender reports with recommendations and awarding of contracts is completed to a high standard.
- Formal contracts are managed effectively and to the required standard. Contracts are supervised with particular emphasis on Health and Safety and quality assurance.
- Continually reviewing process and policies to ensure continuous improvements in how projects and contracts are managed and administered
- Contract records are maintained, reporting requirements are met, and all contract administration (including payment) requirements are met.
- Outcomes that are fair and clearly understood by both parties are achieved in relation to land purchase and compensation.
- Contracts include regulatory requirements for any works being undertaken.
- Auditing of contractors is undertaken to ensure compliance with the requirements of the contract.

Communication and Advocacy

- Maintain effective communication in relation to project works with Senior Management, TLAs, Government departments, ratepayers, lwi, interest groups and with the public in general.
- Act as the Council's representative and contact point in relation to any project works.
- Address community groups etc.
- Respond to written and verbal requests for information and advice.
- Maintain open and clear communication around the works we undertake and the associated notifications and adherence with the appropriate regulatory frameworks.

- A professional attitude is projected at all times in dealing with external contacts.
- Information is accurate and is provided in a timely manner.
- Communication around projects and work programmes is clear, timely and accurate.
- Accurate and timely responses to information and media requests are provided.
- Customers are satisfied with responses to written or verbal requests for information.
- Appropriate tools are used to maintain open and clear communication around our use and compliance with the appropriate regulatory frameworks.

Health and Safety Management

- Assume the responsibilities assigned to a "Manager/Team Leader" as defined in the Horizons Regional Council Health and Safety Policy and Management Manual.
- Ensure compliance with Standard operating procedures (SOPs) and safe work methods/practices relating to my functional work area at all times.
- Promote and support the safe and early return to work of injured employees.
- Ensure hazard management plan review is undertaken annually for your team.
- Ensure all hazards are identified and steps are taken to mitigate them.
- Ensure those staff issued with Personal Protective Equipment (PPE) receive correct and adequate training and are competent in the use of the PPE.

- All staff are trained in appropriate safe practices, procedures and emergency preparedness.
- All accidents involving staff or contractors are reported and investigated in a timely manner.
- Hazard identification, hazard assessment and risk management is coordinated and achieved effectively within your team and area.
- Hazard management processes are reviewed annually and implemented and monitored for your team.
- All staff and contractors are aware of all hazards relating to their relevant work practices and areas.
- All staff are provided with, and trained in, the use of appropriate PPE.
- Potentially high-risk hazards associated with emergency events are appropriately managed remote from Incident Controller.
- A high level of health and safety awareness is evident in all activities.

Corporate Contribution

- Maintain own professional development.
- Undertake Performance Development tasks/responsibilities.
- Undertake Health and Safety tasks/responsibilities.
- Participate in emergency management training and activities as required.
- Participate and contribute to corporate projects and inter-departmental initiatives as agreed.
- Maintain Council plant and equipment.
- Fulfil administration-reporting requirements (e.g. timesheets, vouchers, reporting).
- Ensure the Business Continuity Plan (BCP) for the team / work group is maintained, and regularly reviewed and updated to ensure its currency.

- Appropriate training and development undertaken as agreed.
- Corporate responsibilities are undertaken and completed accurately, meeting specified standards and within agreed timeframes.
- Contribution to projects and corporate initiatives is effective and valued.
- Administration requirements are completed timely and accurately.
- BCP is maintained and updated as required, to reflect changes and ensure its currency within current and future team / group activities.
